

STATE MARINE ACCIDENT INVESTIGATION COMMISSION

WIM 49/2014

RESOLUTION

The **State Marine Accident Investigation Commission** composed of:

Cezary Łuczywek - the Chairman of the SMAIC

Marek Szymankiewicz - the Secretary of the SMAIC

Krzysztof Kuropieska - the Member of the SMAIC

having considered on 12 January 2017 the materials related to a very serious marine casualty of a sea-going yacht *Prodigy* under the Polish flag, which took place on 23 November 2014 in the Atlantic Ocean, as a result of which the yacht sank and her crew was taken from a life-raft by a Portuguese merchant vessel, has decided that the casualty had been caused by loss of tightness of the hull most probably due to the lack of tightness of the insulation in the engine chamber.

The Commission has decided to publish the final report.
