

STATE MARINE ACCIDENT INVESTIGATION COMMISSION

WIM 44/2015

RESOLUTION

The **State Marine Accident Investigation Commission** composed of:

Cezary Łuczywek - the Chairman of the SMAIC

Krzysztof Kuropieska - the Member of the SMAIC

Tadeusz Gontarek - the Member of the SMAIC

on 6 December 2016, having considered the materials related to the serious marine casualty of a sea-going vessel *Altamar* under the Cypriot flag, which took place on 12 September 2015 in the Port of Świnoujście, as a result of which the vessel bumped against a bunkering boat *Palica* moored to the side of a ferry *Baltivia*, has decided that the cause of the casualty had been a temporary loss of control over the steering gear and lack of proper reaction of the bridge crew to uncontrolled movement of the vessel.

The Commission recognizes that it is necessary to prepare and publish the final report.
